F. No.3-5/2022(DEB-II) **August, 2022**

PUBLIC NOTICE 02 SEP 2022

Equivalence of degree obtained through ODL and Online mode with degree obtained through conventional mode

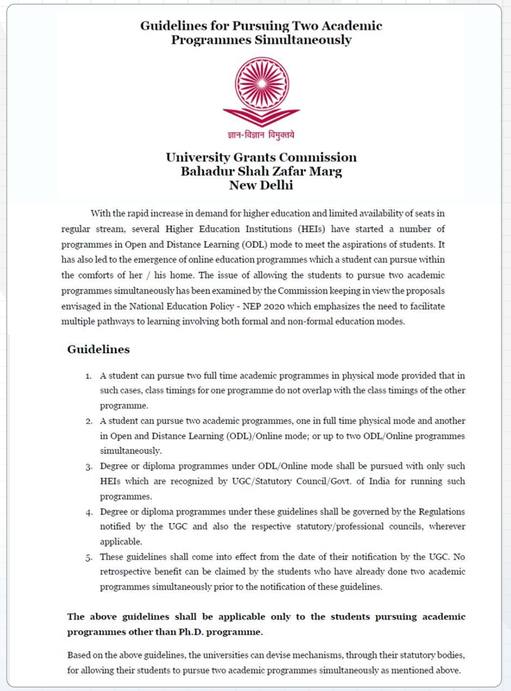

The Regulation 22 of the University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 stipulates as under;

"**Equivalence of qualification acquired through Conventional or Open and Distance Learning and Online modes.**— Degrees at undergraduate and postgraduate level in conformity with UGC notification on Specification of Degrees, 2014 and post graduate diplomas awarded through Open and Distance Learning mode and/or Online mode by Higher Educational Institutions, recognised by the Commission under these regulations, shall be treated as equivalent to the corresponding awards of the Degrees at undergraduate and postgraduate level and post graduate diplomas offered through conventional mode."

This is for information of the general public, students and other stakeholders.

(Rajnish Jain)

UGC guidelines for pursuing Two programs simultaneously

Guidelines for Pursuing Two Academic Programmes Simultaneously

ज्ञान-विज्ञान विमुक्तये

University Grants Commission
Bahadur Shah Zafar Marg
New Delhi

With the rapid increase in demand for higher education and limited availability of seats in regular stream, several Higher Education Institutions (HEIs) have started a number of programmes in Open and Distance Learning (ODL) mode to meet the aspirations of students. It has also led to the emergence of online education programmes which a student can pursue within the comforts of her / his home. The issue of allowing the students to pursue two academic programmes simultaneously has been examined by the Commission keeping in view the proposals envisaged in the National Education Policy - NEP 2020 which emphasizes the need to facilitate multiple pathways to learning involving both formal and non-formal education modes.

Guidelines

1. A student can pursue two full time academic programmes in physical mode provided that in such cases, class timings for one programme do not overlap with the class timings of the other programme.
2. A student can pursue two academic programmes, one in full time physical mode and another in Open and Distance Learning (ODL)/Online mode; or up to two ODL/Online programmes simultaneously.
3. Degree or diploma programmes under ODL/Online mode shall be pursued with only such HEIs which are recognized by UGC/Statutory Council/Govt. of India for running such programmes.
4. Degree or diploma programmes under these guidelines shall be governed by the Regulations notified by the UGC and also the respective statutory/professional councils, wherever applicable.
5. These guidelines shall come into effect from the date of their notification by the UGC. No retrospective benefit can be claimed by the students who have already done two academic programmes simultaneously prior to the notification of these guidelines.

The above guidelines shall be applicable only to the students pursuing academic programmes other than Ph.D. programme.

Based on the above guidelines, the universities can devise mechanisms, through their statutory bodies, for allowing their students to pursue two academic programmes simultaneously as mentioned above.

Admission Procedure

Candidate can apply for an online program by

APPLY

Collecting the application form from the university admission office or city office, verifying if s/he fulfils the eligibility criteria for the chosen program, submitting the filled-in form along with the necessary documents and applicable fees.

APPLY

Applying online for the relevant program through the Online AJU website by verifying if s/he fulfils the eligibility criteria for the chosen program, filling the online available form and depositing the fee and other charges online.

The admission letter shall be provided to the student upon completion of the above process along with instructions to pay applicable fees online/ offline afterwards.

Spot admission facility is available at the university admission office and the city office. Candidate may avail the same.

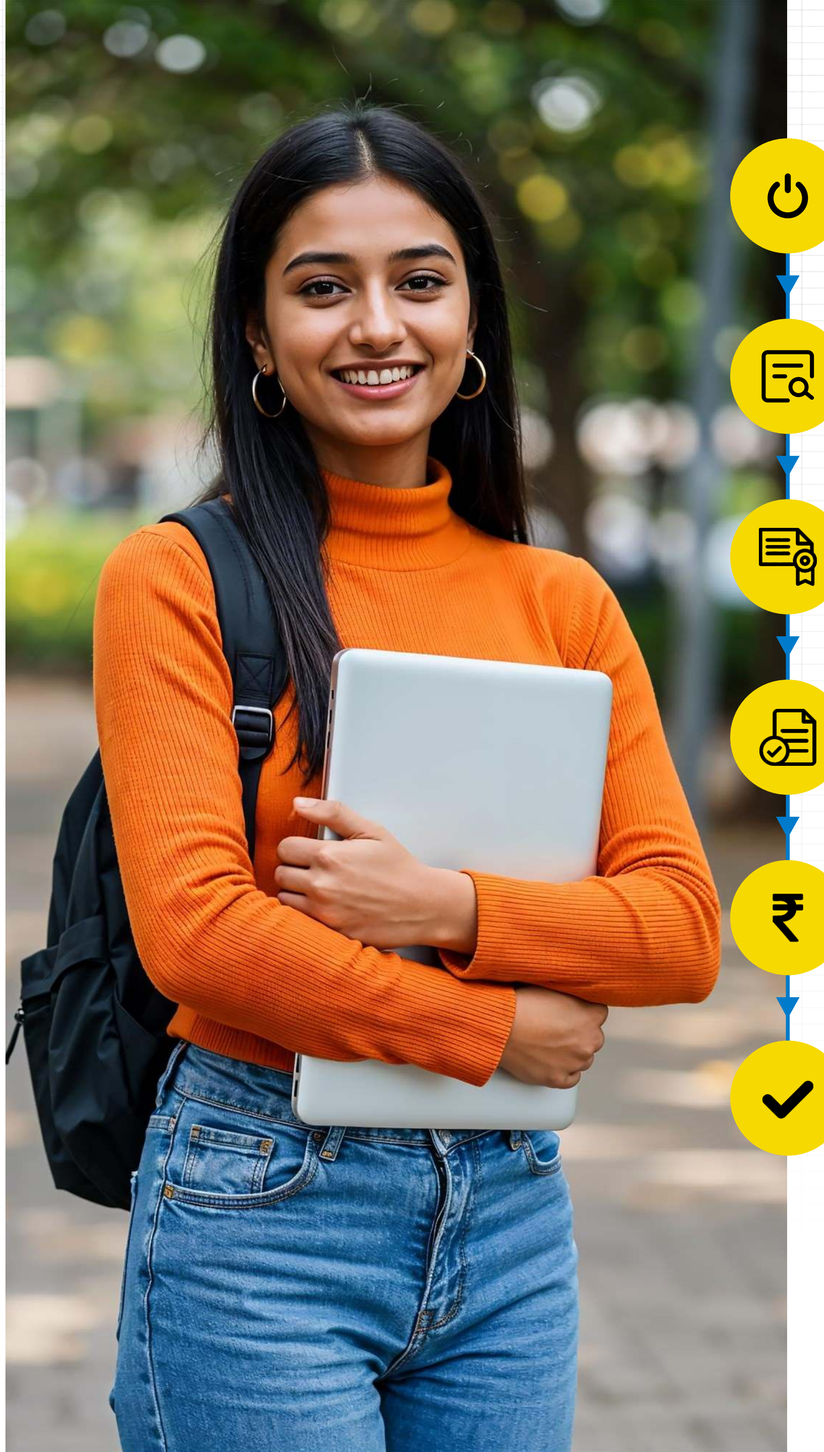

Once admission is confirmed, enrolment number will be provided. Identity Card will be issued subsequently.

Note

Admission to the Online program will be confirmed after personal / virtual verification of the relevant Original Marksheets and Certificates, ensuring the eligibility fulfilment and payment of applicable fees.

Despite all precautions taken at the time of admission, if any candidate is found not eligible for the respective program even while pursuing the program, his/her admission for the program will be summarily cancelled.

Application purchased or created in the name of one candidate cannot be changed / exchanged with another candidate.
